RUSH SALE OF MERCHANDISE!

**Very Decided Tumble in Prices on LADIES',
MEN'S and BOY'S Clothing, Shoes, Gent's
Furnishings and Hats.**

The Public recognize that now is the time to turn merchandise into **READY CASH**, to arrange shelf room and floor space to accommodate the new spring lines which are now coming in--**PROFITS HAVE CEASED--CUT PRICES ARE HERE.**

Hirshberg Bros. have just closed the most remarkable season of their career—business through the alleged panic being double any previous year, while other stores generally, were complaining, our business was good. During the past season we made our regular profits—not large ones its true, but reasonable ones and lots of them.

We needed a large stock to do the business, we did the business and are now ready to sacrifice what is left—sell it regardless of profit, so that when you come here for your next winter outfit we will show only the beautiful new crisp Garments.

NOTICE--On account of extreme reductions and no profits we must depart from our custom of prepaying express charges. However the charges are so small compared with the savings, that our out-of-town patrons will find it highly profitable to order and pay transportation fees themselves. No charges will be made for any alterations to insure a fit.
